#### VIII Old Business

- Rick Pharis is trying to get things back on track with the new Town Hall and Police Station. There have been drainage issues. When Rick's boss Lou, was first looking at drainage, he was trying to keep the cost down so no streets would be cut up. Within putting some numbers together, they got transposed onto other papers, R Yoder was able to catch the mistake. The numbers have been corrected. Kevin from R Yoder says the plans are still kind of short, so Rick had an inspector on the site today, Wednesday August 26<sup>th</sup>. Rick is working on ironing out the measurements so they get done accurately.
- The color scheme was decided on, packet C was chosen.
- Rick will be bringing the Demolition Documents to the next meeting.
- Nate from R Yoder called and sincerely apologized to Jim about the many issues there have been with the new building. Nate assured him there will be walls up by the end of this week.

# Millersburg Town Council Meeting

## August 26, 2020

---

- Tomorrow at 6:00pm there will be the first meeting for the Steering Committee. This will be an introductory meeting about the Millersburg Comprehensive Plan over the next five years.
- Quotes were received back from Niblock and Reith Riley about paving the roads in Millersburg. Reith Riley was the lowest bid at a cost of \$195,432.00. Since the Community Crossings Grant was lost and it's unsure if there will be another for next year. Jim made the motion to approve getting the roads redone and the Town paying for it out of EDIT. Dean Smith seconded the motion.

### IX. New Business

Greg Hughes whom lives on Blessing Street voiced his concerns about loud music and foul language coming from the basketball courts. The language and music has gotten so bad, he doesn't feel comfortable letting his child go out and play. The cops have been called numerous times, and they quiet down a little, but then they cycle this habit again. The middle-aged teens at the basketball courts have even taunted the family about calling the cops again. Greg and his family are seeking help with how to resolve this issue. There is a possibility that the Noise Ordinance could be enforced and also ban the middle-aged teens from the Park. Ray Rodriguez and Alan Mackowiak are aware of the situation. Jim suggests posting signs at the park and is willingly to go down and speak to the middle-aged teens himself if the problem continues to arise.

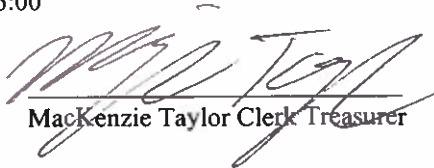

Delores Thomas was here on behalf of the possibility of creating a Chicken Ordinance. Jim spoke with a woman who has chickens. She expressed that with three chickens, you'd be lucky to get one or two eggs a day. Jim is not in favor of allowing chickens, he fears this will be a doorway in for other animals. Dean Smith said he pulls both ways and would like to receive more public feedback. MacKenzie will create a Town Notice and post them around Millersburg, as well as on the Town Website and Facebook page. This has been tabled until the next meeting on Wednesday September 9<sup>th</sup>, 2020.

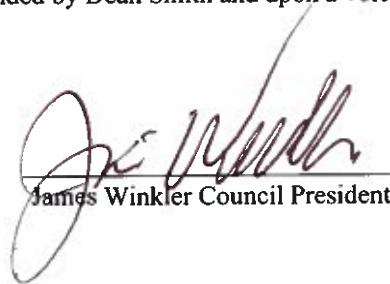

Jim Winkler made a motion to pay bills. The motion was seconded by Dean Smith and upon a voice vote was approved unanimously.
