

ORDINANCE NO. 1987-1

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF MILLERSBURG:

That Whereas the intersection of the North-South one-way alley running from Main Street to Washington Street between Jefferson and Clinton Streets (herein called the "North-South Alley") and the East-West alley running from Jefferson Street to Clinton Street between Main and Washington Streets (herein called the "East-West Alley") presents a hazard because of traffic to the bank located south and west of said intersection; and

Whereas a traffic study conducted by the Marshal shows that additional traffic control would be advisable; and

Whereas a three-way stop for all traffic is the most appropriate traffic control;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF MILLERSBURG:

1. That the intersection is designated a three-way stop and that south bound traffic on the North-South alley stop before entering the intersection and that east-west bound traffic on the East-West alley stop before entering the intersection.

2. That stop signs conforming to state traffic regulations as to size and shape be erected at said intersection to regulate traffic in accordance with Section 1.

3. That as an emergency exists, this ordinance be in effect after passage and posting as required by law.

Adopted this 6 day of July, 1987.

Duane M. Mahler

Marion D. Long

Greg Banzel

Board of Trustees of
the Town of Millersburg

Attest:

Heldegard Lopez
Clerk-Treasurer
