SAFETY AND SECURITY ARE OUR TOP PRIORITIES

Millersburg Water Works strives to deliver safe drinking water to our customers and to keep the utility secure and protected. We are proud to deliver this annual report covering the year 2022.

WATER SOURCE

Millersburg Water Department is supplied by groundwater pumped from two wells, located near Cook Station Park.

WHERE CAN I GET MORE INFORMATION?

We encourage public interest and participation in our community's decisions affecting drinking water. Regular meetings are held on the 2nd and 4th Wednesday of each month at the Town Hall at 5:00 pm. The public is welcome.

LEAD IN DRINKING WATER

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children.
